

MISSION AND VISION OF THE SCHOOL

MISSION

Our mission is to provide high-quality Spanish language teaching based on a communicative approach and adapted to the real needs of each student. We are characterised by our friendly and approachable service, personalised attention and cultural immersion, understood not only as language learning but also as participation and integration in the social and cultural life of Valencia.

The school is committed to ensuring that learning takes place in an open, inclusive environment that respects diversity, where every student feels welcome and safe, regardless of their background, identity, language or culture.

VISION

Our vision is to establish ourselves as a leading centre for Spanish as a Foreign Language (ELE) in Valencia, recognised for academic excellence, continuous methodological development and the practice of authentic Spanish both inside and outside the classroom.

To achieve this vision, the school aims to:

01 INTERNATIONAL DEVELOPMENT

Expand our international reach and attract an increasingly diverse student community.

02 TEACHER TRAINING

Promote the continuous professional development of our teaching team and ensure ongoing methodological improvement.

03 CERTIFICATIONS

Strengthen preparation for DELE and SIELE certifications as a guarantee of quality and international recognition.

04 COMMUNITY AND INCLUSION

Continue building a dynamic, inclusive space that is open to the community, where language becomes a tool for communication, personal growth and integration.
